Don Henley & Patti Smyth, Sometimes Love Just

I dont wanna lose you,
I dont wanna use you
Just to have somebody by my side
And I dont wanna hate you
I dont wanna take you
But I dont wanna be the one to cry
That dont really matter to anyone, anymore
But like a fool I keep losing my place
And I keep seeing you walk through that door
But theres a danger in loving somebody too much
And its sad when you know its your heart you cant trust
Theres a reason why people dont stay where they are
Baby sometimes love just aint enough

Now I could never change you

I dont wanna blame you

Baby you dont have to take the fall

Yes I may have hurt you But I did not desert you

Maybe I just wanna have it all

It makes a sound like thunder

It makes me feel like rain

And like a fool who will never see the truth I keep thinking somethings gonna change

But theres a danger in loving somebody too much

And its sad when you know its your heart you cant trust Theres a reason why people dont stay where they are

Baby sometimes love just aint enough

And theres no way home

When its late at night and youre all alone

Are there things that you wanted to say

Do you feel me beside you in your bed

There beside you where I used to lay

And theres a danger in loving somebody too much

And its sad when you know its your heart they cant touch.

Theres a reason why people dont stay who they are

Cause baby sometimes love just aint enough.

Baby sometimes love just aint enough.
