

Don McLean, Till Tomorrow

1.Verse

What can this be - can you tell me
Would you like to discover
Why we're not free - to be lovers
I've been wanting to ask you

1.Chorus

Where has all the love gone
And what have we become
Storm clouds full of thunder
Move silent as they drum

2.Verse

And when they're gone, we'll be fine - till tomorrow
Oh I hope it won't rain
You will be mine - and my sorrow
Will take wings in the morning

2.Chorus

High above the heavens
A rainbow paints the sky
White doves sing their songs of love
I watch them as they fly - and wonder

3.Verse

What can this be - can you tell me
Would you like to discover
Why we're not free - to be lovers...
