

Don Moen, Oh God Of Abraham

O God of Abraham
You are the great I am
And You can do anything
Oh, anything

O God of sovereign words
You spoke the universe
And You can do anything
You can do anything

O God of Israel
You are Emmanuel
And You are in everything
In everything

O God of deity
You reign in majesty
And You can do anything
You can do anything

Chorus:
There is none like You
There is none like You
Who was and is
And is to come
Oh, there's none like You

O God of grace divine
Your Love has made me Thine
And You are my everything
My everything

O God of ancient praise
Be glorified today
As we give You everything
We give Your everything

(Chorus 2x)

O God of all my prayers
I know You're always there
And You can do anything
You can do anything
