

Don Philip, She's All That

She all that, She all that,
She all that, She all that,

I was walk along an open road
No cars, no traffic, no none at all
And then I sore her, she was there
And I know right and then
That it was love
And we be together forever [ow yeah]
So let describe her to you

She got the body
She got the eye
She got the hair
She got the smile, that will drive you wild
Yeah, yeah, yeah
She all that

Ow right now I am thinking about her
And she making me wanna do something
I never done before
And I don know that it is yet
But I will let you know, ow yeah

She got the body
She got the eye
She got the hair
She got the smile, that will drive you wild
Yeah, yeah, yeah
She all that

Each day that I spend with her
Gets better every day
And wanna make it so, that she feels that same way
And that I want I wanna do
Yeah that all I wanna do

She got the body
She got the eye
She got the hair
She got the smile, that will drive you wild
Yeah, yeah, yeah
She all that

Drink and a sunny day
Seem like things it don better that this
But then she came
And I know, that it get better that this
Cause she all that, and it get better than this

She got the body
She got the eye
She got the hair
She got the smile, that will drive you wild
Yeah, yeah, yeah
She all that

She got the body
She got the eye
She got the hair
She got the smile, that will drive you wild
Yeah, yeah, yeah
She all that
