

Don Philip, Sugar

It's like sugar, sh-sh-sugar
It's like sugar, sh-sh-sugar
Yeah, ye-yeah, ye-yeah

What can I do tell me, what can I say
I'm in love and I know that I can't walk away, oh, no
And I can't let you go
There's a feeling I got for you and deep down inside
And I'm hungry for you every day every night, oh, yeah
And I want you to know
Girl, your love is sweeter than I've ever had before
Each and every flavour always leaves me wanting more

#It's like sugar (sugar), it's like honey (honey)
It's like even better than money
It's like chocolate (chocolate), it's like cherry (cherry)
It's like bittersweet, but not very
I can't fake it (fake it) when I taste it (taste it)
I can't get enough, I can't waste it
Girl, let me take another piece of your love

I wake up at night in a cold, cold sweat
And I'm cravin' it girl 'cos I just wanna get with you
Are you feelin' it too
Sweeter than candy and hotter than fire
Nothing on earth can control my desire for you
And you know that is true
I can't deny I'm into you, you got me open wide
So won't you keep it comin' girl until I'm satisfied
#It's like....

All I wanna do is take another piece of you
I won't stop until I'm satisfied
I never get enough 'cos I'm hungry for your love
I wanna do it 'til we get it right
I look into your eyes and I'm slowly hypnotized
Cos your candy love is good to go
Girl, I'm down with you and I know you're down with me
And that's all I ever need to know
Girl, your love is sweeter than I ever had before
Each and every flavour always leaves me wanting more
#It's like....

All I wanna do is take another piece of you
I won't stop until I'm satisfied (oh)
I never get enough 'cos I'm hungry for your love
I wanna do it 'til we get it right
#It's like.....

I want your love, I need your love
It's like sugar, sugar
