

Don't Look Down, Get It Right

Imaginations, Conversations
Tearing us apart
What ever happened to
Those friends we shared at the very start

[Chorus]
Don't need them
Just need you
The only thing that gets me through
Another time
Another life
Maybe next time I'll get it right
Get it right

Always denyin
Constantly lyin
They creep and they crawl
Makin sure your miserable
And making sure you fall

[Chorus]
Leaving me
Ya sure that this is right
By holding us in your mind
And not losing sight

[Chorus]
Get it right
