

Don Williams, Come From The Heart

My daddy told me when I was a young man
A lesson he learned, a long time ago
If you want to have someone to hold onto
You're gonna have to learn to let go.

Chorus

You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart if you want it to work.

--- Instrumental ---

Now here is the one thing that I keep forgettin'
When everything is fallin' apart
In life as in love, I need to remember
There's such a thing as tryin' too hard.

Chorus

You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart if you want it to work.

Chorus

You got to sing like you don't need the money
Love like you'll never get hurt
You got to dance like nobody's watchin'
It's gotta come from the heart if you want it to work...
