

Don Williams, Fly Away

Fly, fly away, fly away in the morning
Fly, fly away, just don't give me no warning
Go on girl fly away
If that's what you want to do
Cause whatever's left to say girl
It won't come from me and you
So fly, fly away, fly away in the morning
Fly, fly away, just don't give me no warning
I guess everything's been done
But if there's nothing here for you
If you want to chase the sun girl
Well that's just what you ought to do
And fly, fly away, fly away in the morning
Fly, fly away, just don't give me no warning
Fly, fly away, fly away in the morning
