

Don Williams, I'll Be Faithful To You

I can see your heart is aching
He hurt you more than he knew
But should you ever want to love again
I'll be faithful to you
You've been crying like a willow
when the night bird sings so blue
Trust was broken but hearts will heal
and I'll be faithful to you.
In this world of pain and sorrow
where a promise wont hold true
here's a vow you can be sure of
I'll be faithful to you
So let me dry away your lonesome tears
like the sun melts morning dew
and I will wrap you up in true, true love
and I'll be faithful to you
In this world of pain and sorrow
where a promise wont hold true
here's a vow you can be sure of
I'll be faithful to you
I'll be faithful to you
