

# Don Williams, It's Good To See You

It's good to see you, so good to see you  
Oh how I've missed you, since I've been gone  
I've crossed the ocean travelled through many lands  
And it's good to see you to be in your home  
There's something in me, that makes me wander  
There's many a land, I have to see  
And when I'm far away, in a land of strangers  
I know my good friends, think on me  
It's good to see you, so good to see you  
Oh how I've missed you, since I've been gone  
Cause I've crossed the ocean, travelled through many lands  
And it's good to see you, to be in your home  
Oh it's a wonder, when it comes to friendship  
No matter how far away, no matter how long  
There's a constant thread, that's never broken  
And it ties me to, my friends at home  
It's good to see you, so good to see you  
Oh how I've missed you since I've been gone  
Cause I've crossed the ocean, travelled through many lands  
And it's good to see you, to be in your home
