

Don Williams, True Blue Hearts

You have your ways, I sure have mine. We have our days, things go just fine. Then there are days
Fairweather minds need the sunshine, it has to show which way to go, but true blue hearts see thro
Each of us knows, try as we may those bad old days keep coming our way. We're digging in, there
Fairweather minds need the sunshine, it has to show which way to go, but true blue hearts see thro
