

Don Williams, We Should Be Together

I think about you
When I don't want to
Dream about your smiling face
I keep trying not to love you
But I love you anyway
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied

I have thought to come to know you
I've come to need your company
What will I do if I can't have you
If I can't have you
What will I do
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
We should be together, together
We should be walking side by side
We should be together, together
Keeping each other satisfied
