

# Donald Fagen, Walk Between The Raindrops

A shadow crossed the blue Miami sky  
As we hit the causeway by the big hotel  
We fought  
Now I can't remember why  
After all the words were said and tears were gone  
We vowed we'd never say goodbye

When we kissed we could hear the sound of thunder  
As we watched the regulars rush the big hotels  
We kissed again as the showers swept the Florida shore  
You opened your umbrella  
But we walked between the raindrops back to your door

In my dreams I can hear the sound of thunder  
I can see the causeway by the big hotels  
That happy day we'll find each other on that Florida shore  
You'll open your umbrella  
And we'll walk between the raindrops back to your door...
