

# Donavon Frankenreiter, Beautiful Day

I don't want nothing  
But I just got something I can't get off my mind  
I can't get off my mind

What ever happened to those places  
And all those familiar faces that i once knew  
I once knew

Don't worry about tomorrow  
I just want to stay  
So we can make it through  
Another beautiful  
Another beautiful day  
You and me baby  
We're gonna make it through  
Another beautiful day  
Another beautiful day

You said, you said they'd last forever  
But now they're covered up by the roads that  
Join us together, join us together  
I wonder how this all begun  
I think to myself  
When will this all be done  
When will this all be done

But then you say  
Don't worry about tomorrow  
I just want you to stay  
So we can make it through  
Another beautiful  
Another beautiful day

Just you and me baby  
You know we're gonna make it through  
I said we're gonna make it through  
Another beautiful day  
Another beautiful day yeah  
Another beautiful day  
Just you and me
