And im not the average guy cuz I  
Cherish you and I'm lovin you baby  
I'm tellin you to single these guys  
Cuz you really got my heart  
You better hold onto me tight  
It's not a dream it's reality and  
If you down you got me for life  
Cuz I really love you girl

[Chorus]

I'm gonna be  
The one that comes home after work and fix your bath water  
I'm gonna be  
The kinda guy that'll never do you wrong  
I'm gonna be  
The kinda guy that ain't flippin out when you with your girls  
I'm gonna be  
The kinda guy that'll make love through the night

Cuz our chemistry is a mystery  
To everyone lookin from outside  
Cuz they want what we have  
When I look right in your eyes

If you down you got me for life  
Cuz I really love you girl

Your smile cuts through like a knife  
And what you doin for the rest of your life  
Cuz I'm thinking of presenting you with a ring  
Hope you accept this invitation  
Everyday will be a celebration  
Birthdays, holidays, could feel the same

[Chorus 2x]

Through the nite (through the nite)  
When love feels right  
I really love you can't get enough of you  
Want you in my life oh girl  
You a star and sky so bright  
You won't regret it match mate in heaven  
Girl whatever you want me to be

Everyday will be a celebration

Birthdays, holidays, could feel the same

[Chorus 2x]
