

Donell Jones, In The Hood

Chorus:

This is for my playas in the hood
up to no good
lets kickit like we really should
it's just an ordinary day

Verse 1

As I step on the scene
yo I'm steady maxin'
And I call up my boys
'cause im looking' for some action
We need to kick it like we used to
Back in the day when we were know as
a crazy crew
Its good to reminisceon the old days
When we used to kick it with the G's
and the homies
I would go back,yo if I could
This is for my people that's still rollin'
in the hood

Chorus

Verse 2

Heads up on that ride she's a hottie
All the fellas break wide to summer bunnies
Thats the way we flex,yeah
Everyday on the O.G. set
But keep it keep it smooove
I'll keep it smooove on the move spit to
the hotties
On a late night move to flex their bodies
That's the way that we hang
On a regulardoing our own thang

Chorus

Bridge

This for my playas in the hood,
up to no good
As we're rollin around and we're
doing our thang
(repeat)
