

Donell Jones, When You Love Someone

I should of left my babygirl a message
sayin I wont be coming home
i'd rather be alone
she doesnt fully understand me
cause i'd rather leave than to cheat
if she gives me some time I can be the man she needs
but theres alot of lust inside of me
and we been together since our teenage years
I really dont mean to hurt her but I need some time to be alone

but when you love someone you just dont treat them bad
ohh I how I feel so sad now that I wanna leave
shes crying her heart to me how could you let this be
I just need to time to see where I wanna be
where I wanna be

never did I imagine that you would play a major part
in a decision thats so hard
do I leave, do I stay, do I go?
I think about my life and what matters to me the most
girl the love that we share is real
but in time your heart will heal
im not saying im gone but I have to find what life is like
without you

but when you love someone you just dont treat them bad
oh I feel so sad now that I wanna leave
she crying her heart to me how could you let this be
I just need time to see where I wanna be
