

# Donell Jones, Where You Are (Is Where I Wanna

I'm saying I'm sorry for leaving you  
But I wanted to start my life brand new  
I was going through changes and could not see  
That with you is where I wanna be

Nothing compares to you  
And I hurt from the pain that I put you through  
Baby, I need you desperately  
Cuz I gotta be

Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are

Where you are, uh huh, oh

Being apart got the best of me  
And I know that in life there's no guarantees  
Please say that you still got love for me  
Cuz I'm missing home

I'm never gonna leave  
And I say it because you're all I need  
For better or worse, to the end of time  
I gotta be

Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are

Where you are, and where you are  
Where you are, oh

I am sorry for all the things I put ya through  
Baby, you are my world  
I can't live my life without you

Can I come back home where I belong  
Cuz I'm so alone  
Baby girl, I'm on my knees, beggin' please  
Cuz with you is where I wanna be

Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are  
Anywhere you are, it don't matter how far  
Where you are

I just wanna be where you are baby
