

Donkey Punch, Your Mom

Your Mom

She's really got it going on.

Your Mom

She's the type of Mom I'd like to get on.

Your Mom

I wanna get with your mom.

If only I were older, then maybe I could hold her.

If only I wasn't so damn young, maybe I could kiss her with my tongue.

It seems that I was born too late,

So all that I can do is lie in bed and wait,

For your Mom.
