

Donna Fargo, All About A Feeling

Let me tell you all I know about a feeling everybody oughta know about a feeling
You can't live with it you can't live without it feeling
You can't buy it you can't beg it you can't borrow it or steal it
Let me tell you all about a feeling called love

Oh now it can make you feel like you've never felt before
It can make you walk the line and it can make you walk the floor
It ain't no better for the rich man than it is for the poor
So get a little feel for a feeling called love
I'm talkin' you all I know about a feeling...

[guitar]

It's what's missin' if you're lonely that you keep on searching for
And it's everything you've never been but what could make you so much more
So if you're not afraid to find out what you're made of
So get a little feel for a feeling called love
And find out all I know about a feeling...
