Donna Fargo, Whatever I Say (Means I Love You

I wouldn't love me if I were you
When I treat you the way I just did but I didn't mean to
I'm ashamed to ask you anymore to forgive me
But I'm sorry and it may sound like to you
I'm makin' excuses for what I do
But while I'm changing just love me and remember
That whatever I say means I love you
Whatever foolish thing I do means I care for you
When you sort it all out you're what I'm all about
If you can love me long enough I'll learn to show you

You say it sounds like to you when I ask you where were you
That I don't trust you but I just worry and I miss you
And I need missing sometimes too
And when the fighting and the crying lead to saying that we're through
Recall the words that I inscribed on my heart for you
Whatever I say means I love you...
Whatever I say means I love you...
That whatever I say means I love you
If you can love me long enough I'll learn to show you
