

Donna Levis, I love you always forever

Donna Lewis - I love you always forever
Feels like Im standing in a timeless dream
of lightmists of pale amber rose.
Feels like Im lost in a deep cloud of heavenly scent
touching discovering you.

Those days of warm summer rains come rushing back to me
miles of windless summer night air.

Secret moments shared in the heat of the afternoon
out of stillness soft spoken words.

Chorus:

Say say it again.

I love you always forever
near and far closer together
everywhere I will be with you
everything I will do for you.

I love you always forever
near and far closer together
everywhere I will be with you
every thing I will do for you.

Youve got the most unbelievable blue eyes Ive ever seen.

Youve got me almost melting away
as we lay there under blue sky with pure white stars
exotic sweetness a magical time.

Chorus

Say youll love, love me forever
never stop never whatever
near and far and always and everywhere and everything.

Chorus
