

# Donna Lewis, Falling

Maybe we've gone too far  
Another emotional tie on me  
And I don't know who you really are  
Putting my trust in you  
Safe in your presence I will be  
If I thought it was the thing to do  
With you

It feels like I'm falling deeper  
Into the unknown  
I'm losing the fight to stay alone  
I'm falling, falling for you

Where do we go from here  
Why do we stand in silence waiting for  
The other to make a move (yes we do)  
And how do I feel right now?  
Stepping out of my private world into  
Something that scares me so you know  
It feels like I'm falling ... ..

Maybe I don't want to know  
Maybe I want to feel for you  
Maybe I don't want to know  
Maybe I want to feel for you  
Maybe I don't want to know  
Maybe I want to feel for you

Falling deeper into the unknown  
I'm losing the fight to stay alone  
I'm falling, falling for you
