

Donna Lewis, Falling

Maybe we've gone too far
Another emotional tie on me
And I don't know who you really are
Putting my trust in you
Safe in your presence I will be
If I thought it was the thing to do
With you

It feels like I'm falling deeper
Into the unknown
I'm losing the fight to stay alone
I'm falling, falling for you

Where do we go from here
Why do we stand in silence waiting for
The other to make a move (yes we do)
And how do I feel right now?
Stepping out of my private world into
Something that scares me so you know
It feels like I'm falling

Maybe I don't want to know
Maybe I want to feel for you
Maybe I don't want to know
Maybe I want to feel for you
Maybe I don't want to know
Maybe I want to feel for you

Falling deeper into the unknown
I'm losing the fight to stay alone
I'm falling, falling for you
