

# Donna Lewis, I Love You Always Forever

Feels like I'm standing in a timeless dream  
Of light mists with pale amber rose  
Feels like I'm lost in a deep cloud of heavenly scent  
Touching, discovering you

Those days of warm rains come rushing back to me  
Miles of windless summer night air  
Secret moments shared in the heat of the afternoon  
Out of the stillness, soft spoken words  
Say, say it again

I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you

You've got the most unbelievable blue eyes I've ever seen  
You've got me almost melting away  
As we lay there under a blue sky with pure white stars  
Exotic sweetness, a magical time  
Say, say it again

I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you

Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and everything  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and everything  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and everything  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and everything

I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, closer together
