(I've) hung around with big shots never knew love was in the sights I guess I missed the target caught up in a different line of fire

But I know since I've been aiming for the sweetness in your soul your name is on the bullet and it's gettin' ready to explode there's been a change inside my life and I just wanna let you know

I've got my finger on the trigger love is in control I've got my finger on the trigger I ain't lettin' go

Bass Line: Baby, let's have some fun a won't cha be my, my number one

Mama used to tell me girl, you better load your gun up right she said ya, ya gotta come out smokin' hit it with your best shot every time Well I didn't understand her 'til you walked right into range I saw your love at twenty paces and I new I'd won the game you better raise your heart up high or love will blow you right away

I've got my finger on the trigger love is in control

I've got my finger on the trigger I ain't lettin' go I've got my finger on the trigger love is in control I've got my finger on the trigger I ain't lettin' go

Leave off that safety catch there ain't no risk we're gonna have some fun I've got cha, love's begun so stay with me until the mornin' sun
