Donnie Klang, Hollywood Girl

[Verse 1]

She moved out to Hollywood

Because she wanted to be a big star

And party on the floor with the rockstars gettin it on

Five star resturaunts couldn't burn a bone

She prayed for livin the life of a million every night

Shes addicted to the life

[Chorus]

The lavish life of a Hollywood girl,

Party all night,

Gettin' high off life,

Party all night

(welcome to Hollywood)

[Verse 2]

Directors, movie scripts, champagne, take a sip

Shes headin' straight to the top

Flyin' on the first class planespeedin' in the fast lane

Headed to the Oscars who's gonna stop

Who's gonna be there, baby when it all goes down?

Shes addicted to the life

[Chorus]

The lavish life of a Hollywood girl,

Party all night,

Gettin' high off life,

Party all night

(welcome to Hollywood)

Inhale-ex hale the night light,

Champagne keeps pourin' all night,

Keep movin' till the sunrise, till we break daylight....

Inhale-ex hale the night light,

Champagne keeps pourin' all night

Keep movin' till the sunrise till we break sunlight

[Chorus]

The lavish life of a Hollywood girl,

Party all night,

Gettin' high off life,

Party all night

(welcome to Hollywood)
