[Verse 1:]

From justing looking at your face  
Gives me a natural high  
Its not to inrich you got me open wide  
Im so caught up in you girl  
Theres no alibi feeling guilty cause im pleading for you

I never felt this way before  
Girl this isn't typical  
Theres no cutting you lose  
Your always on my mind every day and night  
Baby im a victim of you

[Chorus:]

This ain't a love song (love song)  
Just a note to you im just being true  
Baby this what you do  
This ain't a love song (love song)  
Got me losing all my cool  
Baby i just want to be with you  
No body got me the way that you got me  
My affection is how my so addicted to you  
This ain't a love song (love song)  
Just a note to you  
This is what you do  
Its true this ain't a love song

[Verse 2:]

Girl you got me losing all my sense of pride  
Only took one night before i say good bye  
Can't think of a reason why this isn't right  
You really got a hold on me

[Intro to Chorus & Chorus]

[Bridge:]

I feel for you hands on the clock stop  
When you come around me baby  
I just can't move, paralyzed by your kiss  
True lips those hips feels like m drowning  
Rain on you can't fight you taking over me  
And i can't resisted it there ain't no hope  
I just want to let you know this is how it goes  
Saying that it ain't a love song

[Chorus]
