

Donnie McClurkin & Pastor Marvin Winans, That's

Lord, You promised if I keep my mind on You,
You'd keep me in perfect peace

Choir
(Yes you would, you'd keep me in perfect peace)

With a sincere heart if I called upon Your name
You'd never turn away from me

Choir
(No, no you'd never turn away from me)

Said you'd give me everything I need

Choir
(You'd give me everything I need)

I came for deliverance
Deliverance I'll receive
You said You'd deliver me
And that's what I believe

So now every promise is mine, Lord (It's mine)
I claim it (Oh yes, I know It's mine)
By faith I receive it it's mine (It's mine)
Won't leave here like I came ; I'm never gonna be the same
I know (It's mine)
By faith I believe I believe (Oh yes, I know It's mine)
Reach out and receive now (It's mine)
Won't leave here like I came; I'm never gonna be the same

You can be saved just say.

I came for salvation, Lord
Salvation I'll receive
You said You would save me, Lord
And that's what I believe

I came just to hear Your word
Your word will I receive
You said You would send Your word
And that's what I believe

So down in my heart I know (It's mine)
I do believe it (Oh, yes. I know it's mine)
I heard all your promises (it's mine)
Won't leave here like I came; I'm never gonna be the same
I know, I know (It's mine)

Healing (Oh, yes. I know it's mine)
The provision for me (It's mine)
Won't leave here like I came; I'm never gonna be the same
Yes (It's mine)
You need to know (Oh yes. I know It's mine)
Believe all the promises (It's Mine)
Won't leave here like I came; I'm never gonna be the same

Somebody help me say (It's mine)
Come on and help me say (Oh yes. I know it's mine)
Somebody help me say (It's mine)
