

# Donny & Marie Osmond, I'm Leaving It (All) Up To

I'm leavin' it all up to you  
You decide what you're gonna do  
Now do you want my love  
Or are we through?

That's why I'm leavin' it up to you  
...

I've got my heart in my hand  
I - - - I - - - I don't understand  
What have I done wrong  
I worship the ground you walk on.

That's why I'm leavin' it up to you  
...

I'm leavin' it all up to you  
...
