

Donny & Marie Osmond, Together

Together
Together
Together

Oh, oh we could be on a desert
Without a place to go
And we're so in love with each other that we wouldn't even know
I don't care any place anywhere
Just as long as you are there

Together baby
Together baby
Baby just you and me
Oh how happy we'll be, oh yeah

Oh we could be in poverty
No one to lend a helping hand
But its alright, alright I know
Because you always understand

Now I don't care if they stay there
Just as long as you are there

Together baby
Together baby
Baby just you and me
Oh how happy we'll be, yeah

Now I don't care if they stay there
Just as long as you are there

Together baby
Together baby
Baby just you and me
Oh how happy we'll be, yeah
