

# Donny Osmond, An If You Know Your History

Its a grand old team to play for  
Its a grand old team to support  
An if you know your history  
Its enough to make your heart go-ooooooooo  
We dont care what the red side say  
What the heck do we care  
Cause we only know that there gonna be a show when the everton boys are there.  
3x  
When the Everton boys are there.....
