

# Donny Osmond, Go Away Little Girl

Go away, little girl  
Go away, little girl  
I'm not supposed to be alone with you  
I know that your lips are sweet  
But our lips must never meet  
I belong to someone else  
And I must be true  
Oh, go away, little girl  
Go away, little girl  
It's hurtin' me more each minute that you delay  
When you are near me like this  
You're much too hard to resist  
So, go away, little girl, before I beg you to stay  
Go away  
Please don't stay  
It'll never work out  
When you are near me like this  
You're much too hard to resist  
So, go away, little girl  
Call it a day, little girl  
Oh, please, go away, little girl  
Before I beg you to stay  
Go away
