

Donny Osmond, Love Of My Life

I am amazed
When I look at you
I see you smiling back at me
It's like all my dreams come true
I am afraid
If I lost you girl
I'd fall through the cracks and lose my tracks
In this crazy lonely world
Sometimes it's so hard to believe
When the night can be so long
And faith give me the strength
And keep me going on
You are the love of my life
And I'm so glad you found me
You are the love of my life
Baby put your arms round me
I guess this is how it feels
When you finally find something real
My angel in the night
You are my love
The love of my life
Now here you are
With midnight closing in
You take my hand as our shadows dance
With moonlight on your skin
I look in you eyes
I'm lost inside your kiss
I think if I'd never met you
About all the things I'd miss
Sometimes it's so hard to believe
When a love can be so strong
And faith give me the strength
And keep me holding on
You are the love of my life...
