

Donots, Anything

Tell me something I haven't heard before
Gimme what I need, something worth dying for

Nothing's
Ever
Good enough
For me
I'm always
Complaining
A set of lungs, a pair of fists, a broken finger

So gimme gimme gimme anything
It's not enough when it's for free
So c'mon c'mon gimme anything
I gotta have it all
I want it all
Just for me

One way ticket, have it all or nothing
Watche me take off, I'm leaving you all for good

Someday
I'll be
Good enough
for you
You will
Comprehend me
No one could ever bear the weight that's on my shoulders

So gimme gimme gimme anything
It's not enough when it's for free
So c'mon c'mon gimme anything
I gotta have it all
I want it all
Just for me

Just for me
Just for me

So gimme gimme gimme anything
It's not enough when it's for free
So c'mon c'mon gimme anything
I gotta have it all
I want it all
Just for me

No one could ever bear the weight that's on my shoulders
No one could ever bear the weight that's on my shoulders
On shoulders
No one could ever bear the weight that's on my shoulders
