

Donots, Break My Stride

You fight, I win
Say what you will, I'm not listening
I'll keep breathing
So do what you want, I'm not choking

Walk in my shoes
Stumble and fall
Walk in my shoes

You say it's black, I say it's white
You know I'd burn down the house
to turn on the lights tonight and
I know It's black, you say it's white
But you can't break my stride
No, you can't break my stride
Gonna burn down the house
I'll be turning the tide

You fail to try
I try and fail but that's alright
So keep your mouth shut
And swallow your your pride till you throw up

Walk in my shoes
Stumble and fall
Walk in my shoes

You say it's black, I say it's white
You know I'd burn down the house
to turn on the lights tonight and
I know It's black, you say it's white
But you can't break my stride
No, you can't break my stride
Gonna burn down the house
I'll be turning the tide

You fail to try
I try and fail but that's alright
So keep your mouth shut
And swallow your your pride till you throw up

You say it's black, I say it's white
You know I'd burn down the house
To turn on the lights tonight
You want a kiss, I want a bite
But you can't break my stride
No, you can't break my stride
No
