

Donots, I Quit

I guess I've learned enough in this class
So I drop out
And I can surely think of better jokes
To laugh about

This ain't fun
The damage has been done

I surrender
Cause you're talkin' way too loud
I surrender
I quit and you are down and out

Can you still hold you're head up now that you're
Wearing a crown ?
And can you hear them sayin' "What goes up,
Must come down" ?

It's true

The harder they come
The harder they fall

You are down and out
