

Donots, Room With A View (Give Me Shelter)

Come, take a breath
Make this moment last
Be here right now
This is the place and time
Forget the world
And leave it all behind

(Bridge:)
It doesn't take a word
And all i need to know is here
There's comfort in the silence
When you're near

(Chorus:)
Give me shelter
When the day comes
Crashing down on me
I'll tide you over
I will give you
Everything (you need)

Let's take a breath
It might be our last one
Make this moment last
Make it the best one
We'll find ourselves
Finding something new
Feels good to share
A room with a view

(Repeat Bridge)

(Repeat Chorus 2x)

Come, take a breath
Make this moment last

(Repeat Bridge)

(Repeat Chorus 2x)
