

# Donots, This Is Not A Drill

Disconnect  
Take it back now  
Have it my way and bet it all on black now  
Hit or miss me  
Kill or kiss me  
Are you in or out? Tell me, are you with me?

Time to walk my way  
I can't wait another day  
C'mon I want you by my side  
So testify, testify  
And don't you turn away  
Cause this is my last will  
And this is not a drill

Disconnect  
Take it back  
Take it slow now and let yourself go  
Hate or love me  
Do it to me  
Hear me out don't you turn your back on me

Time to walk my way  
I can't wait another day  
C'mon I want you by my side  
So testify, testify  
And don't you turn away  
Cause this is my last will  
And this is not a drill

Out with the old  
In with the new  
In with the new  
Out with the old  
In with the new

Time to walk my way  
I can't wait another day  
C'mon I want you by my side  
So testify, testify  
And don't you turn away  
This is my one and only will  
And this is not a drill
