Donovan, Car Car

Car Car

I'll take you riding in my car car Take you riding in my car car Take you riding in my car car Riding in my car.

Boys and girls sing a little song Boys and girls you sing a little song Boys and girls sing a little song When you're riding in my car.

The horn goes beep beep Horn goes beep beep Horn goes beep beep When you're riding in my car.

Engine goes brrr brrr Engine goes brrr brrr Engine goes brrr brrr When you're riding in my car.

I wanna sit in the back seat I wanna sit in the front seat Front seat, back seat When you're riding in my car.

Tell you what I do, I drive so fast Tell you what I do, I drive so fast Tell you what I do, I drive so fast Riding in my car.
