

# Donovan, Lord Of The Reedy River

Lord of the Reedy River  
She fell in love with a swan  
her eyes were filled with feathers  
he filled her with song  
in the reedy river  
in the reedy river

She in her boat long hours  
He in his royal plumage  
She threw him some flowers  
in the reedy river  
in the reedy river

Black was the night  
and starry  
she loosened off her garments  
and let fall her hair  
in the reedy river  
in the reedy river

Sadly they mourn inside  
Lost in evening twilight  
two swans glide  
and fly...  
o'er the reedy river  
o'er the reedy river

She fell in love with a swan...
