Donovan, Song For John

You're my singer Lemme be your song Celestial bodies They get along And I just want to sing along

You're my single Lemme be your chart If you never make the hit parade You're number one in my heart As long as I can play a part

Vegetarian by choice Not by fashion It's not so much what you eat As what you balance on And watch me balance on

Instrumental passage here We're playin' it now But you are not among us here To play like you know how Beg us to allow

You're my singer Lemme be your song No matter what you want to do Let me pick along I just want to sing along

Country ladies
Take us by the hand
Soft eyed and cotton clothed
Through Parrish meadowland
And John and I can be the band
