

Donovan, Tinker Tune

(Intro whistling)

You make a raggedy dress

[Illegible]

I'll make a raggedy song

Then we'll travel along

Sing-a-ling along, travelling along

Sing-a-ling along, travelling along

You play the fool and spoon

Dressed in stars and moons

I'll make the morning rise

Open your early day eyes

Simp-il-i-city, our philosophy

Simp-il-i-city, our philosophy

Oh how happy we will be

Happy you and me

Oh how happy we will be

Happy you and me

I'll make a lov-ely fire

Watch those flames grow higher

You cook-a me love heart

Sprinkle herbs in the pot

Yummy, yummy, yum

Gimme, gimme some

Yummy, yummy, yum

Gimme, gimme some

I'll make a bed of leaves

Under the piney, pine trees

You sing a lullaby

Here we go dreamy eye
