

# Dontae, My Word

Hey, yeah it's me. uh huh, don't hang up, listen. listen.  
I convinced you to let your gaurd down for me. (yeah)  
You put your trust in me, I broke it unintentionally.  
Now baby don't label me 'cause I'm only human.  
But, if you take me back, maybe I can change my ways,  
I can gaurentee you anything. I perfect?  
But I can give you my word.  
This is my word.  
I'll make my way back into your heart, baby girl.  
That's my word. yeahh, that's my word, yeah.  
I can't blame you if your not my credibillity,  
I admit that I've done some damage, wasn't thinking. (hey)  
You quick to say that I was shit, I see you must of forgot  
All those times we spent, we fell in love, you must of forgot.  
Girl I promised, that I changed overnight for you.  
And everything I give you my word.  
This is my word.  
I'll make my way back into your heart, baby girl.  
That's my word. yeahh, that's my word, yeah.  
Baby take your time,  
Ain't no need to rush this because this is worth more than you and I.  
I apologize about the times, cause there ain't no gaurentee.  
All that I can give is my word.  
This is my word.  
I'll make my way back into your heart, baby girl.  
That's my word. yeahh, that's my word, yeah.  
All that I can give is my word.  
This is my word.  
I'll make my way back into your heart, baby girl.  
That's my word. yeahh, that's my word, yeah.  
That's my word. yeah, that's my word, yeah.
