

# Dontae, Why

Girl I had this special moment that you was standing right in front of me  
And I had it all figured out with the right words to say and everything was perfect as it can be  
But then I realized, that I don't talk, it was just a dream  
And the second I looked at you I couldn't say a thing  
All of a sudden I had butterflies in my stomach, I didn't breathe  
Why? Why couldn't I show her what I felt inside my heart?  
Why? Why couldn't I tell her how special she means to me?  
Why? Does it have to be this way?  
There's not a single doubt in my mind  
You're the one for me  
Girl we go together like pants and kicks  
It's getting hard to resist  
Gotta build my confidence  
Girl you're so fine that I can sing for days  
Why should I stand straight about what I feel about you?  
Your melody is catchy like a perfect song (oooh)  
And I can't get enough  
Cause your fire is the stuff  
And still I don't know what to say  
Why? Why couldn't I show her what I felt inside my heart?  
Why? Why couldn't I tell her how special she means to me?  
Why? Does it have to be this way?  
Why? Why do I sit and cry cause she's not mine?  
Why? Why do I feel so down, when she's not around?  
Why? Does it have to be this way?  
It's time for me to stop being a coward  
And face this stuff right now  
Cause you're the one for me  
I'm gonna give it all I got  
Cause it's in the limelight right now  
Girl with you is where I wanna be  
Why? Why couldn't I show her what I felt inside my heart?  
Why? Why couldn't I tell her how special she means to me?  
Why? Does it have to be this way?  
Why? Why do I sit and cry cause she's not mine?  
Why? Why do I feel so down, when she's not around?  
Why? Does it have to be this way?  
Why? Why couldn't I show her what I felt inside my heart?  
Why? Why couldn't I tell her how special she means to me?  
Why? Does it have to be this way?
