

# Doomsday Refreshment Committee, Judgement

Here we are...  
The Underground  
Fear of nothing...  
The time is now

World on fire...  
Flames burn higher  
Break it down...  
Tear it down

Taking it back...  
Taking it back...

Kicking and screaming...  
You'll never defeat it...  
We take it away

Pushing and shoving...  
You'll never get nothing  
We take it away

We feed off the rage...  
We're breaking the cage...  
We take it away

Backs to the wall...  
Rise to the call...  
Fuck'em all...  
Take it all away

Mass destruction...  
World dysfunction  
Built on hatred...  
The beast needs fed  
Digital...  
Masturbation

Taking it back...  
Taking it back...
