

# Doop, ridin

i'll set your ride on on a storm  
i'll set you ridin on a storm  
i'll set your ride on on a storm  
i'll set you ridin on a storm

don't you know that love will find you  
wherever you are  
i'm in love and you're crushing  
everything you are  
don't you know that love will find you  
wherever you are  
i'm in love and you're crushing  
everything you are

i'll set your ride on on a storm  
i'll set you ridin on a storm  
i'll set your ride on on a storm  
i'll set you ridin on a storm
