

# Dope, Crazy

Are you looking  
Are you laughing at me?  
You're reminiscing  
And do you remember me?

You wouldn't talk to me  
You shut the door on me  
You left me there standing  
Do you remember me?

Try how I try to keep it in inside ya crazy  
Try how I try to keep it in inside ya crazy

I'm not going  
I'm not going crazy

Show me cause I can't see  
Help me cause I can't breathe  
Drowning, I'm in too deep  
Help me, I know that

I'm not going  
I'm not going crazy

Are you rejoicing  
About my decrease?  
Well is he looking  
And does he look like me?

I'm not going  
I'm not going crazy

Show me cause I can't see  
Help me cause I can't breathe

I'm not going  
I'm not going  
I'm not going  
I'm not going crazy
