

Dope, Debonaire

I don't need diamond rings or high priced suits that shine
Limosines and flashing things or ancient bottled wine
Designer names and lavish things and million dollar hair
Modern dames without a brain I never really cared
I don't care nothin' about it!
Woow Yeah

I don't care for glitzy things or a fancy neighborhood
Glamour games or plastic fame or the king of hollywood
Dazzling flamboyant things or a top hat on my head
Or modeling for magazines and being debonaire
I don't care nothin' about it!
Woow Yeah (repeat 3 times)

I dont care nothin' about it!
Woow Yeah(x2)
I dont care nothin' about it!
Woow Yeah(x4)
