

# Dope, Move It

(Daddy, when I grow up, I wanna be a topless dancer  
So I can make lots of cash)

Chorus:

Get up, get it out  
And groove it in and out  
And move it up and down  
And all ya got to do is

Everybody get movin' (movin')  
And the rhythm will take the control  
All the ladies are groovin' (groovin')  
All the fellas are ready to go  
We're goin' high tonight  
Let it feels alright

Chorus

Everybody get to it (to it)  
Everybody move up on inside  
Baby do ya wanna do it (do it)  
Do ya wanna go down one more time?  
It's getting hot tonight  
Let it feels just right

Chorus

Lets take it slow  
Up and down, up and down, up and down, up and down  
Up and down, move  
All ya got to do is

It's getting hot tonight  
Let it feels just right

Chorus

Move it, move it
